

Hampshire Hogs v Romany

Sunday 18th May

### **Docker shines but Romany too strong**

-----

Romany won the toss and decided to bat. Starting well on a track that had little to offer the bowlers, they put on 95 for the first wicket before Mark Goodeve-Docker took two wickets to leave the score at lunch evenly poised at 111-2.

After the break, it was hard work for the Hogs bowlers. Romany declared on 272 for 6, Goodeve-Docker finishing on 3-59, with wickets also for Dick Aldridge, Ollie Kelly and the skipper Charlie Russell.

The Hogs started their innings badly but recovered from 33-3 with 37 from Russell and 28 from wicketkeeper Alec Russell (no relation). There was a long tail, but Hogs man-of-the-match Docker came in at number 8 to hit a near match-saving 50 not out. The Hogs were bowled out for 172, with just four overs to go.
